2nd Symposium on Structural Proteomics

May 25, 2012, 10am - 3pm
Coal Harbour, Vancouver, BC

Please join us for the 2nd Structural Proteomics Symposium hosted by the BC Proteomics Network. The symposium will take place following ASMS 2012 and will be held aboard the Sunset Bay II yacht, offering a scenic 5 hour cruise of Vancouver. The program will feature talks by leaders in the field of structural proteomics.

Registration fee: \$75, lunch included
