

15th Annual Conference
Canadian National Proteomics Network

17-20 November 2024
Whistler, BC

Late breaking
sponsorship options

We are pleased to offer you a range of discounted last minute sponsorship options to make sure your company is well represented at the Annual Conference of the Canadian National Proteomics Network in Whistler – Canada's premier mountain destination.

CNPN 2024 will be hosted at Fairmont Chateau Whistler where we have secured excellent space for exhibition and poster displays, which will include all receptions and coffee breaks. Our attendees include Canada's leading proteome researchers, renowned international thought leaders, as well as key decision makers in the life science and biotech sectors, core-facility directors, lab managers and of course our students and emerging experts.

Our last-minute sponsorship options are ideal to keep your company on everyone's mind or highlight a particular product on a focused hand out or break signage. Please choose from the listed options and reach out to discuss individualized packages. If you are not yet a full sponsor, we are also happy to send you our full sponsorship package.

Mari DeMarco & Philipp Lange
Conference Chairs
